## How to redeem a voucher code:

**Step (1): Welcome screen**

A screenshot of a web page titled "SOFTWARE DOWNLOAD" in large blue letters. Below the title is a "Register" section. It starts with a welcome message: "Welcome to the MAGIX Service Center". Below that, it says: "If you already have a MAGIX login, you can use it to log in. Otherwise you can get a new login here." There are two radio button options. The first is "I already have a MAGIX login", which is selected. Below this option are two input fields: "Email address:" and "Password:". Below the password field is a link that says "I have forgotten my password". The second radio button option is "I don't have a login and want to sign in". Below these options, it says: "To continue, please click on the 'Proceed' button below." In the bottom right corner, there is a blue button with the word "Proceed" in white text.

**If you already have an account at MAGIX please go ahead with step (3), if not create a new account step (2).**
